**November 2025**

**ICILA Celebrates Thanksgiving:**  
**3rd Annual Friendsgiving**

ICILA participants had a wonderful November, highlighted by an outing to the bowling alley and a special “Friendsgiving” event hosted by the Adventure Club. Everyone enjoyed socializing, playing games, and spending quality time with peers and staff. The group is excited and looking forward to the activities and opportunities December will bring.

## **CRS Choice: Community Connections**

The month of November proved to be very busy for the CRS Choice Day Program. Participants continued to connect with the community, engaging with volunteers who came in to teach a variety of classes. Fan favorites included the Cooking Class, Dance Class, and the Movement and Motion class at the Edgewater Athletic Club. They also continued exploration of the Chicago area including a trip to shop downtown. Participants are excited for the adventures that await this holiday season.

## Avondale CILA: Holiday Crafts

The men from our Avondale CILA took to the bowling lanes for some friendly competition. Some of the guys were just trying to improve their own score from game to game, and others were trying to beat everyone! They were smiling, joking, and trash talking each other. In the end it didn't really matter what the scores were because the guys were just having fun together.

## CRS Legacy: Urban Adventures

CRS Legacy participants exemplified the GIVING in Thanksgiving by continuing to volunteer in the community. One of their favorite charitable organizations to volunteer and give back is Feed My Starving Children.
